

Free Audubon Bird Guide App- *download today!*

With the Audubon Bird Guide, you can:

- ✚ Identify 821 species with in-depth descriptions including information on appearance, habitat, behavior, and more.
- ✚ Explore a gallery of more than 3,200 images from the world-renown VIREO, Academy of Natural Sciences of Drexel University's world-wide collection of bird photography.
- ✚ Listen to up to eight hours of exceptional sounds of your favorite birds, differentiated by region and season.
- ✚ Access robust seasonal and migratory range maps.
- ✚ Browse species in a gallery view and filter by shape, region and color, aiding quick identification.
- ✚ Use "Find with eBird" to locate birds seen recently around you, drawing on the continuously updated database from the Cornell Laboratory of Ornithology and eBird.
- ✚ Post, keep lists, and share sightings with friends and followers with Audubon NatureShare's easy and user-friendly interface.
